Hi Bruce! No, please take your time. I'm no where close to figuring out his schedule for May for at least another month. Thank you!

Thanks for your note and the quick follow up. I am absolutely glad to complete the form and return in to you. Would next week be OK or do you need it today? I am looking forward to working with you on this. Thanks and have a Merry Christmas.

Todd-

First, thanks so much for taking time to meet with me yesterday. I thoroughly enjoyed our discussion and am very much looking forward to working with you on the initiatives we discussed.

With that in mind, our Annual Meeting will be in Washington on May 23. I would be great if Secretary Zinke were able to join us. As I mentioned, we will likely have 15-20 CEOs in the room in addition to another 35 or so members of the executive management teams of our various member companies. Very friendly audience and no press. The meeting will be on the Hill, most likely in a room in one of the Senate office buildings. We could accommodate his schedule anytime between 9 and noon on that day. Typically, he would make a few minutes or remarks and there would be a Q&A. No longer than 30 minutes tops. Let me know if this is something that might work for you guys. Thanks

again and have a Merry Christmas.
